ISAAC PROCTER,

(Successor to the late Firm of Oliver and Procter.)
Merchant Tailor,

AT the old stand, "UGLY ROW, opposite the Northern City, (purchased) and has received a large and (all) well selected assortment of goods in his line which, (from the universally acknowledged reputation of the establishment) he deems it entirely unnecessary to enumerate; but will simply say his assortment comprises every article belonging to the wardrobe of a gentleman.

In addition to his complete stock of unmanufactured goods, he has a fine assortment of READY MADE CLOTHING, of his own and foreign manufacture—all of which he would be pleased to exhibit, free of charge.

With sincere thanks to the patrons of the old firm, and of his "successor," he assures them no effort or pains shall be spared to give them entire satisfaction. Gentlemen who are disposed to patronize the North, in preference to those who surround their own hearth stone, he particularly solicits to give him a call. If he does not give them as good a [better fitting] garment as they can obtain at any fashionable establishment at the North, then he is "mum."

Mr. G. L. GOULD, the talented pupil of Mr. OLIVER, is still with him, and his success as a cutter is rarely equalled, never excelled.

Mr. P. gives his attention to the Pantalons and Vest department. They speak for themselves. Gentlemen furnishing their own goods may rely upon their receiving equal attention with those purchased of the "Emporium."

Cutting done at all times and at reasonable prices.

In conclusion, he will say, although the "BUG" has left him, he retains, in his varied departments, genuine European and American styles.

THE subscribers having purchased the entire interest of N. Perry in the above celebrated establishment, respectfully announce to the citizens of North Carolina that they intend to relax no effort to retain the liberal patronage heretofore received from the numerous customers of the Bazaar in the Old North State.

Manufacturing as we do all our own clothing, and one of the firm being constantly in the market, thus having facilities for purchasing cloths, cassimers, &c. at the first hands, and consequently at the lowest rates, we are enabled to compete in prices with Northern houses, while our garments in point of style and workmanship, are not excelled by those of any other house in the State.

It is unnecessary to state the quality of the goods, as our stock is composed; suffice it to say that in our room may be found every thing pertaining to town's wear, and furnishing goods of the most recent style and in great variety.

Our Custom Department,

Is constantly supplied with the most desirable goods, and those preferring their garments made to order, can here find a large assortment to select from, and with an efficient force of workmen, we can get up a single garment or an entire suit at very short notice. A good fit and perfect satisfaction guaranteed in every instance.

Important to Millers & Mill Owners

THE Undersigned would respectfully inform those engaged in the Milling Business in N. C., that he keeps constantly on hand, and will supply at the shortest notice, that almost invaluable article,

YOUNG'S IMPROVED PATENT

SMUT AND SCREENING MACHINE.

The only Machine of the kind that has stood the test and given satisfaction to the public. It has supplanted every Smut Machine yet offered in the State, more or less of which has been taken down to make room for it. The machine need not be run in relation, as there are several 200 Machines running in N. C. and I wish to offer no other references than the gentlemen who are using them, whose expectations have been more than realized in their performance. It not only thoroughly cleanses the Wheat of smut, but also purifies it of all other substances, almost to perfection. It takes up but 4 feet square in the Mill, and requires but little power. It is warranted for five years against breaking or wearing out, and also to retain its cleaning qualities for that time.

There are a number of these Machines through which 100,000 bushels of Wheat have been cleaned, and they have never been out of order one day.

There was awarded to it the Premium at the Maryland State Fair, and a Premium with a Silver Medal, at the Fair of the Maryland Institute, at Baltimore, last Fall.
